Hi Stephen,

I got your voicemail as well. Thanks for checking in. Corie, cc-ed here, is hoping to work on the file upload this afternoon. She's pulling double duty today and covering for one of her direct reports. But she's on the job and knows to check in if she has problems. Thanks again!

Stacy:

Hello! I wanted to check in and see how things were coming along, and if there were any questions. I believe Rellen told me you were back today, so I understand if you're digging out.

Regards,
Stephen
